

HIGH INCOME SECURITIES FUND
Rule 17j-1 Code of Ethics
(amended and restated as of May 2019)

I. Introduction.

The purpose of this Code of Ethics (this “Code of Ethics”) is to prevent Access Persons (as defined below) of High Income Securities Fund (the “Fund”) from engaging in any act, practice or course of business prohibited by paragraph (b) of Rule 17j-1 (the “Rule”) under the Investment Company Act of 1940, as amended (the “Act”). This Code of Ethics is required by paragraph (c) of the Rule. A copy of the Rule is available from the Fund’s Chief Compliance Officer (“CCO”) upon request.

Access Persons of the Fund, in conducting their personal securities transactions, owe a fiduciary duty to the shareholders of the Fund. The fundamental standard to be followed in personal securities transactions is that Access Persons may not take inappropriate advantage of their positions. All personal securities transactions by Access Persons must be conducted in such a manner as to avoid any actual or potential conflict of interest between the Access Person’s interest and the interests of the Fund, or any abuse of an Access Person’s position of trust and responsibility. Potential conflicts arising from personal investment activities could include buying or selling securities based on knowledge of the Fund’s trading position or plans (sometimes referred to as front-running), and acceptance of personal favors that could influence trading judgments on behalf of the Fund. While this Code of Ethics is designed to address identified conflicts and potential conflicts, it cannot possibly be written broadly enough to cover all potential situations and, in this regard, Access Persons are expected to adhere not only to the letter, but also the spirit, of the policies contained herein.

II. Definitions.

In order to understand how this Code of Ethics applies to particular persons and transactions, familiarity with the key terms and concepts used in this Code of Ethics is necessary. Those key terms and concepts are:

1. “Access Person” means any trustee, director, officer or “Advisory Person” of the Fund.
2. “Advisory Person” means (a) any trustee, director, officer, or employee of the Fund, or of any company in a control relationship to the Fund, who, in connection with his regular functions or duties, makes, participates in, or obtains information regarding the purchase or sale of a security by the Fund, or whose functions relate to the making of any recommendations with respect to such purchases or sales; and (b) any natural person in a control relationship to the Fund who obtains information concerning recommendations made to the Fund with regard to the purchase or sale of a security.
3. “Beneficial Ownership” has the meaning set forth in Rule 16a-1(a)(2) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), a copy of which is available

from the Fund's Compliance Officer upon request. The determination of direct or indirect beneficial ownership shall apply to all securities which an Access Person has or acquires.

4. "Control" has the meaning set forth in Section 2(a)(9) of the Act.

5. "Independent Trustee" means a trustee of the Fund who is not an "interested person" of the Fund within the meaning of Section 2(a)(19) of the Act.

6. "Initial Public Offering" means an offering of securities registered under the Securities Act of 1933, as amended (the "Securities Act"), the issuer of which, immediately before the registration, was not subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act.

7. "Limited Offering" means an offering that is exempt from registration pursuant to Section 4(2) or Section 4(6) of the Securities Act or Rules 504, 505 or 506 of Regulation D, promulgated thereunder.

8. "Purchase or Sale of a Security" includes, among other things, the purchase or sale of an equivalent security, such as the writing of an option to purchase or sell a security.

9. "security" has the meaning set forth in Section 2(a)(36) of the Act, except that it shall not include "long-term" debt securities (securities with a remaining maturity of more than 397 days) issued by the Government of the United States or "short-term" debt securities (securities with a remaining maturity of 397 days or less) issued or guaranteed as to principal or interest by the Government of the United States or by a person controlled or supervised by and acting as an instrumentality of the Government of the United States, bankers' acceptances, bank certificates of deposit, commercial paper and shares of registered open-end investment companies.

III. Prohibitions; Exemptions.

1. Prohibited Purchases and Sales.

No Access Person may purchase or sell, directly or indirectly, any security in which that Access Person has, or by reason of the transaction would acquire, any direct or indirect Beneficial Ownership and which to the actual knowledge of that Access Person at the time of such purchase or sale:

A. is being considered for purchase or sale by the Fund within the next fifteen (15) days; or

B. has been purchased or sold by the Fund within the previous fifteen (15) days.

2. Exemptions From Certain Prohibitions.

The prohibited purchase and sale transactions described in paragraph III.1. above do not apply to the following personal securities transactions:

- A. purchases or sales effected in any account over which the Access Person has no direct or indirect influence or control;
- B. purchases or sales which are non-volitional on the part of either the Access Person or the Fund;
- C. purchases which are part of an automatic dividend reinvestment plan (other than pursuant to a cash purchase plan option);
- D. purchases effected upon the exercise of rights issued by an issuer pro rata to all holders of a class of its securities, to the extent the rights were acquired from that issuer, and sales of the rights so acquired;
- E. any purchase or sale, or series of related transactions, (i) with an aggregate value of less than \$20,000; or (ii) of a security with a market capitalization of greater than \$5 billion;
- F. purchases or sales of (i) “long-term” debt securities (securities with a remaining maturity of more than 397 days) issued by the U.S. Government or “short-term” debt securities (securities with a remaining maturity of 397 days or less) issued or guaranteed as to principal or interest by the U.S. Government or by a person controlled or supervised by and acting as an instrumentality of the U.S. Government, (ii) bankers’ acceptances and bank certificates of deposit, (iii) commercial paper, and (iv) shares of registered open-end investment companies (each of the foregoing being referred to herein as “Exempt Securities”);
- G. any purchase or sale of a security by an Access Person prior to which pre-clearance has been obtained from the CCO, or in the event of the CCO’s unavailability or if such purchase or sale is to be undertaken by the CCO, the Chairman of the Fund’s Audit Committee (“Audit Committee Chairman”), on the grounds that its potential harm to the Fund is remote;
- H. any purchase or sale of the Fund’s shares by an Access Person or any affiliated person of the Fund, directly or indirectly, during any time period that the Board of Trustees has authorized the Fund to engage in a share buyback program provided that: (i) the Board has determined that any potential harm to the Fund is remote and (ii) proper dissemination of any material non-public information has been made on a timely basis;
- I. any purchase or sale of the Fund’s shares by an Access Person, provided that, at the time of such purchase or sale, such Access Person is not in possession of material, non-public information concerning the Fund. Although it is not possible to define every category of information that is material, information should be regarded as material if there is a reasonable likelihood that it would be considered important to an investor in making a decision whether to purchase or sell shares of the Fund. For the avoidance of doubt, knowledge of the securities owned by the Fund alone shall not be considered material information; and

J. purchases or sales of the Fund's securities by an Access Person during each three (3) day period beginning on the first full trading day of each calendar month, during which the Fund will suspend its program to buy back Fund shares on the open market.

3. Pre-approval of Investments in IPOs and Limited Offerings.

An Advisory Person may not purchase or otherwise acquire direct or indirect Beneficial Ownership of any security in an Initial Public Offering or a Limited Offering unless he or she obtains pre-clearance of such purchase or acquisition from the CCO, or in the event of the CCO's unavailability or if such purchase or acquisition is to be undertaken by the CCO, the Audit Committee Chairman. Pre-clearance pursuant to this paragraph III.3 shall be provided by the CCO or Audit Committee Chairman, as applicable, in his or her sole discretion.

4. Prohibited Recommendations.

Subject to certain exceptions for Exempt Securities, as indicated below, an Access Person may not recommend the purchase or sale of any security to or for the Fund without having disclosed his or her interest, if any, in such security or the issuer thereof, including without limitation:

A. any direct or indirect Beneficial Ownership of any security of such issuer, including any security received in a private securities transaction (other than an Exempt Security);

B. any contemplated purchase or sale by such person of such security (other than an Exempt Security);

C. any position with such issuer or its affiliates; and

D. any present or proposed business relationship between such issuer or its affiliates and such person or any party in which such person has a significant interest.

IV. Reporting and Certifications.

1. Initial Reporting and Certification.

Within ten (10) days after a person becomes an Access Person, such person shall complete and submit to the CCO an Initial Access Person Questionnaire on the form attached as Appendix A and an Initial Holdings Report on the form attached as Appendix B.

2. Quarterly Reporting.

A. Subject to the provisions of paragraph B below, every Access Person shall either report to the Fund the information described in paragraph C below with respect to transactions in any security in which the Access Person has, or by reason of the transaction acquires, any direct or indirect Beneficial ownership in the security or, in the alternative, make the

representation in paragraph D below, or by submitting a copy of the quarterly reporting form to be used in complying with this section IV, attached to this Code of Ethics as Appendix C.

B. (1) An Access Person is not required to make a report with respect to any transaction effected for any account over which the Access Person does not have any direct or indirect influence; provided, however, that if the Access Person is relying upon the provisions of this paragraph B(1) to avoid making such a report, the Access Person shall, not later than ten (10) days after the end of each calendar quarter, identify any such account in writing and certify in writing that he or she had no direct or indirect influence over any such account.

(2) An independent trustee of the Fund who would be required to make a report pursuant to paragraph A above solely by reason of being a trustee of the Fund is required to report a transaction in a security only if the independent trustee, at the time of the transaction knew or, in the ordinary course of fulfilling the independent trustee's official duties as a trustee of the Fund, should have known that (a) the Fund has engaged in a transaction in the same security within the last fifteen (15) days or is engaging or going to engage in a transaction in the same security within the next fifteen (15) days, or (b) the Fund has within the last fifteen (15) days considered a transaction in the same security or is considering a transaction in the same security or within the next fifteen (15) days is going to consider a transaction in the same security.

C. Every report shall be made not later than ten (10) days after the end of the calendar quarter in which the transaction to which the report relates was effected and shall contain the following information:

(i) the date of the transaction, the title and the number of shares and the principal amount of each security involved;

(ii) the nature of the transaction (i.e., purchase, sale or any other type of acquisition or disposition);

(iii) the price at which the transaction was effected;

(iv) the name of the broker, dealer or bank with or through whom the transaction was effected; and

(v) a description of any factors potentially relevant to a conflict of interest analysis, including the existence of any substantial economic relationship between the transaction and securities held or to be acquired by the Fund.

D. If no transactions were conducted by an Access Person during a calendar quarter that are subject to the reporting requirements described above, such Access Person shall, not later than ten (10) days after the end of that calendar quarter, provide a written representation to that effect to the Fund.

3. Annual Reporting and Certification.

Each Access Person shall complete and submit to the CCO an Annual Holdings Report on the form attached as Appendix B. In addition, all Access Persons are required to certify annually that they have read and understand this Code of Ethics and recognize that they are subject to the provisions hereof and will comply with the policy and procedures stated herein. Further, all Access Persons are required to certify annually that they have complied with the requirements of this Code of Ethics and that they have reported all personal securities transactions required to be disclosed or reported pursuant to the requirements of such policies. A copy of the certification form to be used in complying with this paragraph 3 is attached to this Code of Ethics as Appendix D.

4. Miscellaneous.

Any report under this Code of Ethics may contain a statement that the report shall not be construed as an admission by the person making the report that the person has any direct or indirect Beneficial Ownership in the securities to which the report relates.

V. Confidentiality.

No Access Person shall reveal to any other person (except in the normal course of his or her duties on behalf of the Fund) any information regarding securities transactions by the Fund or consideration by the Fund of any such securities transaction.

All information obtained from any Access Person hereunder shall be kept in strict confidence, except that reports of securities transactions hereunder will be made available to the Securities and Exchange Commission or any other regulatory or self-regulatory organization to the extent required by law or regulation.

VI. Sanctions.

Upon discovering a violation of this Code of Ethics, the Board of Trustees of the Fund may impose any sanctions it deems appropriate, including a letter of censure, the suspension or termination of any trustee or officer of the Fund, or the recommendation to the employer of the violator of the suspension or termination of the employment of the violator.
